**holy, holy, holy, merciful and mighty,**  
**God in three persons, blessed Trinity!**

Lighting of the Christ Candle: *Karen Rose*

We light the Christ Candle to remember that we don't have to be afraid; we have a Saviour who is ever present with us. For he said; I am the way, the truth and the life, he who follows me will not live in darkness but have the light of life!

Candle is lit as we sing: VU # 626, "I Heard the Voice of Jesus Say" vs. 1

**weary and worn and sad;**  
**I found in him a resting place,**  
**and he has made me glad.**

Call to Worship: (bolded sections only)

Lord, the world thinks the way of Jesus is weak!

**Real strength is found not in oppression but in forgiveness!**

Lord, people say Jesus' ideas are not realistic!

**Love conquered the world once, if we want it, it can do so again!**

Lord, no one is good enough to enter the Kingdom of God!

**That is why Jesus came, so through him we may be free!**

Opening Hymn: VU # 345, "Come Children, Join to Sing"

Opening Prayer: (read together with congregation)

**Mighty God, you created the universe with a single breath of your word. You spoke and it came to be. Thank you that you set this world on its foundation and nothing can shake it. You are our Creator! Thank you, Lord that although you are infinite and limitless, you also pay attention to the little things. We praise you Lord because there are no problems too big and there are no problems too small with which you are not ready to help. In Jesus name, Amen.**

In many places in February, winter persists with its short days and lingering cold. Everything seems to take a little more effort—getting out the door, checking in on one another, and finding energy when the season feels heavy.

This time of year can feel long. But it's also a reminder that care is deeply needed. Through Mission and Service, that care shows up in practical, meaningful ways.

Through your generosity, Mission and Service partners are a consistent presence in the middle of winter—whether there's snow or heat. Partners are supporting people facing food insecurity, displacement, isolation, and uncertainty. Your support becomes warmth, stability, and care where it's needed now.

Hope in winter doesn't have to be dramatic. Sometimes it looks like consistency. Sometimes it looks like staying engaged in the face of enduring hardships. Mission and Service partners respond to the needs of their communities with commitment and creativity—and your support is needed to give them the flexibility to do that work well.

Thank you for continuing to walk alongside Mission and Service partners. [Your generosity](#) makes a difference—steadily and when it matters most.
