## WE GATHER FOR WORSHIP

\*Stand as you are able.

Musical Prelude

\*Introit: VU #79, "Arise Your Light is Come" vs. 1

**Arise, your light is come!  
The Spirit's call obey;  
show forth the glory of your God,  
which shines on you today.**

Welcome

Lighting of the Christ Candle: Linda Laviolette

Long ago, before there was a world, before there was anything,  
before there was day or night, there was God, our Creator and  
Source of Life and Goodness. Then God said, "Let there be light."  
We light this candle to remind us of that gift of light and love.

*Candle is lit as we sing: VU #82, "A Light is Gleaming" (refrain only)*

**A light is gleaming, spreading its arms  
throughout the night, living in the light.  
Come share its gladness, God's radiant love  
is burning bright, living in the light.**

Call to Worship:

Come, let us gather together in expectation.

**We come hoping to find Jesus in our midst.**

The one who opens our hearts

**and helps us discover God.**

The one who calls us to faith

**and reminds us of God's love.**

The one who delights in surprising his people,

**a giver of good gifts.**

turning water into wine,

**giving hope when our hope has run out.**

Come, let us worship together in expectation.

**We come searching for Jesus in our midst.**

*Sue Webb, Faith Centennial U.C. Selkirk, ON*

Opening Prayer:

Epiphany God, You are the one who shatters the despair and hopelessness.

**You place a star in the sky as a guide, and you lead us to find new life in unknown places.**

We gather in worship this day to give thanks for the light your presence offers, the confidence your love gives, and the sanctuary your peace places before us.

**Bathe us in your light this day and help us feel the warmth of your love in this community of hope. Amen.**

\*Hymn: VU 87, "I Am the Light of the World"

Prayer of Confession: (leader)

Gracious God, you call us to be the light of the world. Yet sometimes our light flickers like a candle, threatened by the storms of life. We are frightened that if we don't protect the light, it will go out and leave us in the shadows. So instead of sharing your light, we hoard it. Loving God, we pray for your light to open our hearts and free us from our fears. Renew our faith so we will be your light in the world. Amen.

Humorous Story: "Jesus and the Elves"

### **We Hear the Word Proclaimed**

Prayer of Illumination: *Wanda MacDonald*

Holy One. Light of the Sun and Stars, God of New Stories and New Directions, as we receive the stories and scripture today remind us that you are with us on our journeys, both expected and unexpected, so that we may share your presence with all that we encounter and the world may be changed by your love.

We pray in the name of the holy human child, the one we know as Jesus. Amen.
